

WELCOME TO THE MILL

At The Mill, we embrace a simple ethos: preparing your food, serving you & pouring your drinks. We don't protect the country or cure the sick, but our hope is to bring joy through our food and service, creating lasting memories for friends & family, ensuring every customer leaves with a smile!

Kindly be aware that our gluten-free meals are prepared in the same kitchen as all other dishes, so we cannot guarantee with 100% certainty that they are completely free from gluten. Although all our dishes list their ingredients and may not mention nuts, there could be a possibility of traces. Please ensure to inform our staff of any allergies. We are able to accommodate most, if not all, dietary requirements, but we need to be informed in advance.
